Emergency actions

1. THE **NEAREST** REGATTA OFFICIAL SHOULD IMMEDIATELY TAKE APPROPRIATE ACTION TO ENSURE THAT:

- A. Rescue and/or First Aid (if appropriate) is commenced as soon as possible.
- B. Further accidents are prevented.

This action will include:

- Alert the Regatta's Rescue and First Aid organisation.
- Commence the task of rescue and then ensuring provision of whatever assistance may be requested by the person assuming command of the rescue.
- Co-ordinate other officials to assist with marshalling competitors and casualties to a place of safety.

2. THE **LEADER** OF THE FIRST REGATTA RESCUE TEAM TO REACH THE INCIDENT SHOULD ASSUME COMMAND OF THE RESCUE UPON ARRIVAL

This action will include:

- Make an immediate assessment of the situation and decide if more assistance is required.
- Report that assessment to the Regatta's Rescue and First Aid organisation including a description of any response that may be required.
- Co-ordinate and direct that response.
- Decide, in consultation with the Safety Adviser, if any casualty(s) should be removed to a designated casualty landing place or to any other place.
- Decide if any other Rescue Unit should be brought to the scene.
- Indicate if the public emergency services should be called.

3. **ALL OTHER** REGATTA OFFICIALS SHOULD IMMEDIATELY TAKE APPROPRIATE ACTION TO ENSURE A CO-ORDINATED RESPONSE IS TAKEN TO THE TASK OF RESCUE

This action will include:

- Ensure that all competitors, officials and members of the public comply with the directions given by the person assuming command of the rescue.
- Take sympathetic steps to prevent panic or hysteria.
- Ensure that further accidents are prevented.

- Relay information to the Regatta's Rescue First Aid organisation in a calm and controlled manner.
